Note: Ad Boards can be done in full color. Our goal for your AD board is to make sure that your business, product, and contact information is visible for 200 feet. LOGO's can also be placed on your Ad board if it does not interfere with visibility. The best looking business card is not always the best AD board. Allow 2 weeks for production of ad board. If you have "Ad copy" already prepared or need us to prepare your "Ad copy", not a problem.
