

2009 Fox Chase Soccer Fall Field Maintenance Schedule

Please note the following -

Saturday & Sunday AM

- Lining of all fields - Upper and Lower, Travel, Majors and Minors

*All fields are lined in white except the lower 8v8 which is painted blue.

*Lime must be used to line the fields at any infield areas on the lower 11v11, and dirt areas on any of the other fields later in the season.

- Set-up of concession stand tables.

- Set-up of traffic cones @ entrance to fields. (No Parking Area)

- Check trash cans and empty if needed

- Police field areas for trash.

I recommend starting at 7:00am. It will take 4-5 people 1.5 hours to complete all these tasks. The Sunday AM crew will only have touch up the lining where needed.

Saturday & Sunday PM *(after final game of the day)*

- Police fields for trash.

- Empty trash cans on field areas.

- Put all corner flags away.

- Put all traffic cones and concession stand tables away.

*Paint, liners, cones, trash bags and the concession stand tables will be stored in the caged area near the hockey courts. In the near future I will email every coach with the combination for the lock.

**Any teams playing Tuesday or Thursdays at Fox Chase will be responsible to line their own field for these games. Also, any team playing at Gifford Rec will be responsible to line the field for their games.

Thanks for you help this season,

Mark Bachmann
